WELCOME

You have something to celebrate. We have the room for it.

We are a village pub in Stanwell Moor, and we have been here since 1751. We stood here before Heathrow existed. These days we host birthdays, christenings, baby showers, retirement parties, wakes and more than a few gender reveals, and no two of them look the same.

Book one of our spaces and it is yours for the duration. Our team looks after the food, the bar and the clearing up. You choose the menu and the drinks, we do the rest of it.

This brochure sets out every space, menu and package we offer in 2026. Prices are shown excluding VAT; VAT at 20% is added to your quote. There are no setup fees.

Afternoon tea pairs well with the dining room and its french doors, and the prosecco version does a fine job of a baby shower. Tell us the occasion and we will set the room to suit.

£4.00 per child

Bring your own food

Some celebrations come with their own catering, and that is genuinely fine by us. Bringing your own food costs nothing, and there is no minimum group size.

How it works

You organise and manage the catering, whether that is a family spread, a caterer or a cake the size of a table. We look after the space, the bar and the service.

The one condition

The organiser signs an outside-food waiver before the event. It keeps everyone clear on who is responsible for food brought onto the premises.

ALLERGIES AND DIETARY NEEDS

Vegetarian options run through most of our menus, gluten free is possible on the curry buffet, and the prosecco afternoon tea has non-alcoholic and dietary alternatives. Tell us what you need when you book and we will tell you honestly what we can and cannot do.

Sips and cheers

A drink in hand on arrival, a tab behind the bar, or tea and coffee flowing all afternoon. The bar stays open for everything else.

Unlimited Tea and Coffee

Topped up all the way through. The quiet hero of every wake and christening we host.
